

Header

The screenshot shows a web browser window with the address bar displaying `file:///Users/leatrueworthy/bu-webdev/web-231/week-9/exercise_9.3.html`. The page has a blue header with navigation links: [Home](#), [Blog](#), [Photos](#), and [My Trips](#). The main content area is divided into two columns. The left column is titled "Left Column (fluid)" and contains three paragraphs of placeholder text. The right column is titled "Right Column" and also contains three paragraphs of placeholder text. The browser's developer tools are open, showing the HTML structure and the CSS styles for the header and the first list item in the navigation menu.

```
<!DOCTYPE html>
<html>
  <head>
    </head>
  <body>
    <h1>Two Column (Left) Responsive Layout</h1>
    <div style="background-color: steelblue;">
      <nav style="">
        <ul class="nav inline-items">
          </ul>
        </nav>
      </div>
      <div class="columns-container">
        <div style="background-color: steelblue;color: white;">
          <p>
            <a href="#" style="color: white;">Contact Us</a>
            <a href="#" style="color: white;">Sitamam/a
          </p>
        </div>
      </div>
    </body>
  </html>
```

Inspector: Filter Styles, element { background-color: steelblue; } .left-column, .right-column, footer, header { border: 1px solid #ccc; padding: 1.25em; margin: .5em; } footer, header { position: relative; clear: both; } *, ::before, ::after { position: relative; box-sizing: inherit; }

Layout: Flexbox, Grid, Box Model. CSS Grid is not in use on this page.

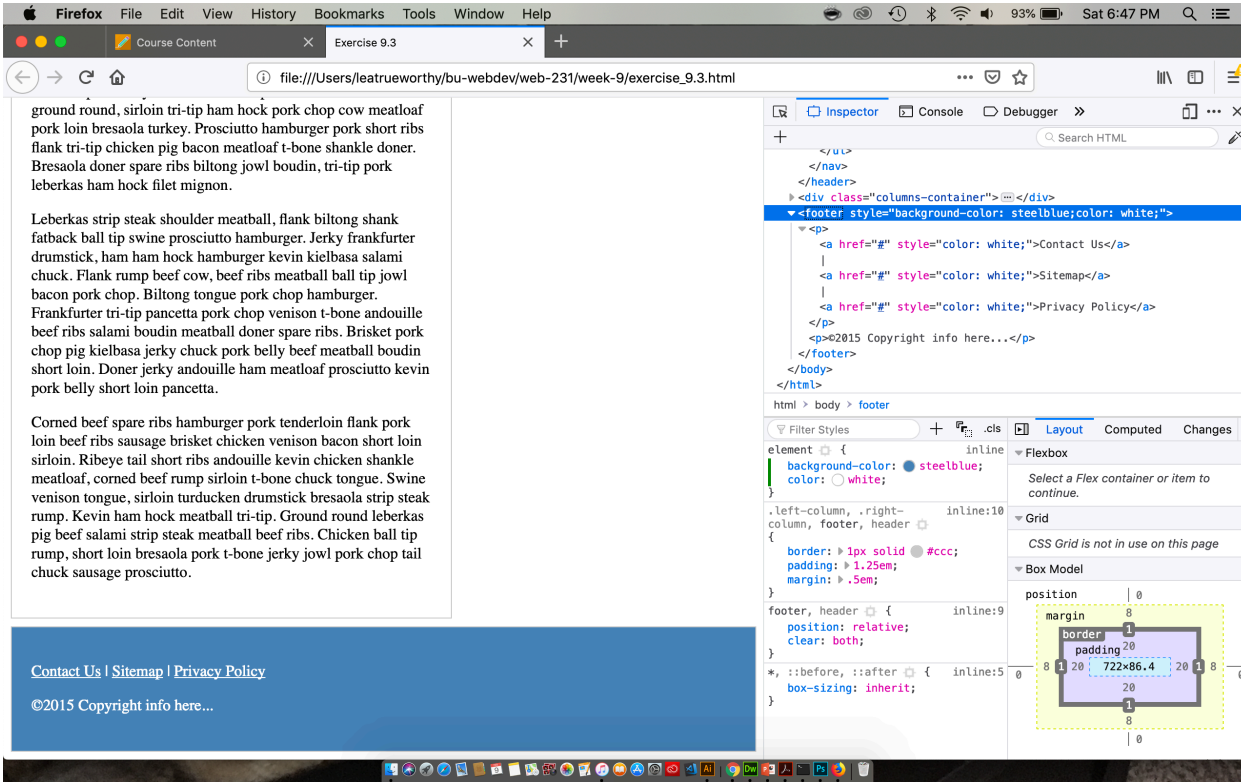

The screenshot shows the same web browser window as the previous one, but with the navigation menu items highlighted. The browser's developer tools are open, showing the HTML structure and the CSS styles for the navigation menu items. The first list item in the navigation menu is highlighted, showing its styles: `display: inline-block`, `*display: inline`, and `zoom: 1`. The second list item is also highlighted, showing its styles: `list-style: none`.

```
<!DOCTYPE html>
<html>
  <head>
    </head>
  <body>
    <h1>Two Column (Left) Responsive Layout</h1>
    <div style="background-color: steelblue;">
      <nav style="">
        <ul class="nav inline-items">
          <li style="">
            <a href="#" style="color: white;">Blog</a>
          </li>
          <li>
            <a href="#" style="color: white;">Photos/a
          </li>
        </ul>
      </div>
      <div class="columns-container">
        <div style="background-color: steelblue;color: white;">
          <p>
            <a href="#" style="color: white;">Contact Us</a>
            <a href="#" style="color: white;">Sitamam/a
          </p>
        </div>
      </div>
    </body>
  </html>
```

Inspector: Filter Styles, element { color: white; } .nav > li, .nav > li > a { display: inline-block; *display: inline; zoom: 1; } *, ::before, ::after { position: relative; box-sizing: inherit; }

Layout: Flexbox, Grid, Box Model. CSS Grid is not in use on this page.
